I've updated 204 to reflect 2000 OSL Chapter 340, Section 1, subsection C, paragraph 2 (<http://www.oscn.net/applications/oscn/DeliverDocument.asp?CiteID=213110>). Please let me know if you have any questions or edits.

Thanks,
Mark

In terms of it origin or expenditure?

Origin - Tobacco tax increase.

I'm sending this for your review/edits/comments.

The only thing I could find in statute related to expenditures for the Tobacco Prevention and Cessation Revolving Fund (204) relates to the Clean Air Restaurants Act (<http://www.oscn.net/applications/oscn/deliverdocument.asp?id=460525&hits=634+633+215+214+>), which indicates rebates are to be funded from the fund. I'll ask Don for some assistance in researching unless Felesha has a reference.

Thanks,
Mark
